\$2,000,000 For Roads Approved. Jefferson City, Mo.-The state highway board has approved 15 road projects, embracing nearly 140 miles, at an estimated cost of \$2,893,523. The board also settled the controversy over the type and mileage of four-highways to be constructed in St. Louis county, embracing 41.52 miles at an outlay of \$1,872,442.

As finally approved, the St. Louis highways stand: Lemay Ferry road, 7.05 miles, from Telegraph road to Meramec River, 18foot concrete, \$305,461.

St. Charles road, 12.63 miles, 18-foot bituminous macadam, \$573,585. Manchester road, 15.75 miles, 18 and 20-foot concrete and brick, from North and South road to Eatherton,

\$688.321 Gravois road, 6.08 miles, 18 and 20foot concrete and brick on Gravots road from Weber to Kennerly road,

In other counties the board spproved 97.90 miles at an estimated cost of \$1,020,800. The cost of these latter improvements will be as fol-

Lawrence county, \$44,666; Jasper, three projects, \$535,562; Cedar, \$22,-976; Taney, \$23,999; Henry, \$125,387; Hickory, \$25,424; Texas, \$136,122; Laclede, two projects, \$93,941.

Sleeping Disease at Columbia.

Columbia, Mo.—Sleeping sickness has spread to Columbia and is causing much alarm R E Lewis and Mark H. Keeney, assistants in the extension division of the Missouri University, have been ill for several weeks. Lewis is now in Excelsion Springs recuperating, but Keeney is still in the hospital here. Rollins-Bronlee of Brookfield, Mo., a track star in the university and a man who shows promise as a contender for a berth on the United States team in the Olympia meet next summer, is believed to be suffering with the malady and has been sent to his home.

Grand Jury Reports Gambling. Macon, Mo -- A special grand jury reports: "From the information we have gained we are convinced that

gambling has been going on in Macon and Bevier and that hard-working bread winners and promising young men are frequently participants in the same, but the officers whose duty it is to detect the violators of the law have, with one exception, no direct evidence to give us, but we believe the evidence can be had and the gambling stopped if the proper officers will get busy and raid the suspected places."

Front For Congress

Plattsburg, Mo .- John E. Prost of this city has been selected as the Republican candidate for Congress to fill the unexpired term of J. W. Alexander from the Third Congressional District. Frost is a lawyer and a farmer. He is a grandoon of Judge James H. Birch, a former supreme judge and register of the land office at Plattsburg, Mo. Frost was a strong Taft supporter and a member of the state committee during the 1912 cam Palen.

Women Urge Better Schools

Mexico, Mo-At a meeting of the League of Women Voters here the following resolutions were passed:

Resolved. That it is the sentiment this meeting that first the League of Women Voters inderse the action of the executive committee of the State Teachers' Association and offer to assist them by circulating petitions to have a larger fund set aside for the educational work of the state."

Kansas City Has Disease.

Kansas City, Mo -Health officers of those communities of the Southwest, where a mysterious intestinal malady has caused the illness of hundreds of persons, apparently made little head way in their efforts to identify the ailment. At several places, however, physicians put forward the term "winter cholera" as being the most expressive and appropriate

Enems City, Ma.—That Security of Hancest is virtually up, that the Indeed and also for the state will be used up in a few works and that the proposed \$60,000, 600 bend insue, which is to be voted on next November can alone save the state from road construction singua-tion, were asserted here by Maj Harry

B. Hawes of St. Louis, president of the Pedersted Roads Council. Hawes was addressing the convention of the Missouri Highway Engineers' Association. His address was the opening gun in a state-wide campaign for the read bonds, and his analysis of the road situation of the ptate, in which he showed that anythe all available read showed that nearly all available road funds are used up and future road work will be tied up unless the boad issue carries, was a new note in the consideration of siate road matters. Maj Hawes showed that the money allotted to Missouri from federal aid has already been matched in the applications of various counties for federal money on road work.

Maj. Hawes said: "To provide to \$10,000,000 construction a year it will, for the first year, cost the taxpayer \$400,000, which reduced to taxes, on the present state appraisement of \$2,on the \$160 valuation; the second year's interest will be approximately \$729,600, necessitating a tax of 2.88 cents; the third year the interest will we \$1,040,000, necessitating a tax of 4.16 cents; the fourth year the interest will be \$1.264,600, necessitating a tax of 5.44 cents; the fifth year the interest will amount to approximately \$1. 680,000, necessitating a tax of 6.72 cents; the sixth year the interest will amount to \$1,000,000, necessitating a tax of 5 cents."

To Hunt Relations in Russia.

St. Joseph, Mo .- To choose by lot which one will brave the anti-Semiticspirit rampant in chaotic Russia, to find traces of their family there, nine representatives of the Galluky family. scattered throughout Kansas and Missouri, all well to do, met at the home of Porris Galitzky here. They have been out of touch with members of the families in the old country since the United States entered the war. Moses Galitrky of Kansas City, I. S. Gallinky of Toneka, Kan., and Morris Gainzhy of Tulsa, Okla., were selected to choose by lot which of the three

Man With 6-Foot Beard Dies. Payette, Mc -- Joe Miller Wayland, a farmer, is dead at the age of 75 years. He was a member of the Wayland family of Central United States, who held a reupion in Payette annually. Wayland won fame because of the length of his beard, which was fully 6 feet in length and was worn in a braid beneath his shirt.
